

Withdraw of Ron Massey and Sydney Shield Football Competitions

At Board level, the decision was made in August 2024, that the Cabra Leagues Two Blues would only be approved to enter into the Ron Massey and Sydney Shield Competition on the proviso that both teams were fully funded through sponsorships.

The Senior football committee presented a business model for the 2025 competition to the Board of Cabramatta Rugby League Club which relied heavily on sponsorship. Unfortunately, they did not achieve the outcome that was presented, and agreements was signed without Cabramatta Rugby Leagues Club authority and proceeded to compete resulting to two (2) matches played.

Therefore, with a heavy heart, from the decisions in August 2024, funding was not secured and Cabramatta Rugby Leagues Club Board is not going to put the Club at financial risk and is not entering into the Ron Massey and Sydney Shield Competition of 2025.
